

COMPETENT PERSON SERVICE

- ✓ Entitlement to designate Personnel Health & Safety Consultants as a Competent Person. This also helps you comply with requirements within the *Management of Health and Safety at Work Regulations 1999* for designated competent personnel to be available.
- ✓ Access to 'insured advice' via telephone/e-mail on an unlimited number of occasions.
- ✓ Six-monthly Teams catch-up meeting on safety-related legal developments, proposals and relevant news.
- ✓ An allocation of consultancy time for use within each contract year, see individual package for usage.
- ✓ Your documents are accessible via an online H&S management system.
- ✓ Four e. Learning courses per annum. Excludes Food safety.
- ✓ Assistance with sourcing supplies and services.
- ✓ Priority over non-contract clients.
- ✓ Annual fees are invoiced in equal monthly instalments, regardless of when the allocation of consultancy time is used. Minimum initial term: two years.
- ✓ Use of our Expert Witness Service at preferential rates.

Quality Assurance: Registered to BS EN ISO 9001 for health and safety consultancy and training.

Insurance: All consultants are covered by professional indemnity, third-party, and employers' liability insurance. All advice given is "insured advice", subject to the insurer's terms and conditions.
