

PHSC Ltd Presents

# THE NEBOSH National General Certification

---

Face-to-face training | Practical learning | Accredited course

# What is the NEBOSH National General Certificate?

The NEBOSH National General Certificate in Occupational Health and Safety is one of the UK's most widely respected health & safety qualification

## It's designed for:

- Managers, supervisors, and staff with health & safety responsibilities
- Anyone looking to improve workplace safety and gain formal recognition
- Individuals aiming to begin or grow a career in health and safety

*“Over 300,000 people have achieved the  
NEBOSH General Certificate worldwide.”*

**Recognised.**  
**Respected.**  
**Career-Boosting.**

**1**

Regarded by employers across all sectors

**2**

Provides a solid foundation in UK health and safety law, risk management, hazard control, and workplace systems

**3**

Meets the requirements for many HSE roles, and can be a step towards further qualifications (like the NEBOSH Diploma)

## Why Train With US?

We're more than just a training provider; we're a long-established health & safety consultancy with a proven record of delivering practical, expert-led NEBOSH training that gets results.

**Over 30 Years of Trusted  
Health & Safety Training**

### ✦ **Gold-standard NEBOSH Learning Partner**

Recognised for our high-quality delivery, learner support and commitment to helping every delegate succeed.

### ✦ **Expert Tutors with Real-World Experience**

Our trainers bring practical knowledge from the field, making your learning relevant, engaging and applicable from day one.

### ✦ **Supportive & Practical Learning Environment**

We create an open, friendly training space where learners feel comfortable asking questions and applying knowledge.

### ✦ **Full Support Through to Exam Success**

We don't just teach the content; we support you with revision advice, exam techniques, and a team that genuinely wants you to pass.

4 out of 5

*“The whole team and company were excellent and friendly throughout the course. There was a lot of learner involvement, and the course content was very helpful.”*

---

# Is This Course Right for You or Your Team?

The NEBOSH National General Certificate is designed for anyone who has health and safety responsibilities in the workplace, or who is looking to build a career in the field.

## Ideal for:

- **Managers, Team Leaders and Supervisors**

If you're responsible for people, processes, or workplace safety, this course gives you the knowledge and tools to manage risk effectively and meet legal duties.

---

- **Career Changers and Aspiring H&S Professionals**

Looking to move into a dedicated health and safety role? This qualification is the perfect starting point. It's widely respected by employers and can open the door to new opportunities.

---

- **Health and Safety Coordinators or Advisor**

Already involved in H&S but want formal recognition of your skills? The NEBOSH Certificate provides a strong foundation and a pathway to more advanced qualifications.

---

- **Employers Seeking Compliance Confidence**
- **For All Industries**
